5. ROADMAP TO FINAL AUDIT SIGN-OFF & SPECIFIC RECOMMENDATIONS

To enable the external auditors (PKF & Co. / Baker & Associates) to issue an **unqualified (clean) audit opinion** on the 2023, 2024, and 2025 financial statements, management should execute the following 5-point action plan:

Step	Key Action Item & Specific Deliverable	Target Date	Responsible Party
1	Direct Bank Confirmation Letters: Formal circularization of Providus, Sterling, First Bank, and GTBank to verify year-end balances, loan facilities, and lien status.	Within 14 Days	External Auditors / MD
2	Project Milestone Formalization: Obtain signed engineer interim evaluation certificates for Pacific Court, Pacific Apartment, and Baay Foreshore to corroborate IFRS 15 stage of completion.	Within 21 Days	Lead Project Engineer
3	Director's Loan Subordination Agreement: Formalize Board Resolution and execute subordinated loan agreement confirming zero interest and repayment terms for the ₦7.5m loan.	Within 7 Days	Legal Counsel / MD
4	FIRS Tax Credit Portal Reconciliation: Download and validate official FIRS Withholding Tax Credit Notes (₦4.85m) to offset against outstanding CIT liabilities.	Within 30 Days	Tax Consultant
5	Board Approval & Signature: Board of Directors meeting to review, approve, and execute the Draft Financial Statements, Statement of Directors' Responsibilities, and Notes.	Upon Audit Clearance	Board of Directors

CONCLUSION & SIGN-OFF:

With the incorporation of the detailed sales and customer records, master Excel workbook modeling, and statutory draft financial statements, BAAY PROJECTS LIMITED possesses an audit-ready, transparent, and fully substantiated financial reporting suite for FY 2023, FY 2024, and FY 2025.
